MOBILIZATION IS TO BE OBSERVED

Armistice Day Will Be One of the Great Events In the Calendar of Holidays This Year — Exercises Commemorative In Churches

GOVERNORS IN RESPONSE

Following Request of the Federal Council of Churches Commission—Pennsylvania's Chief Executive Says "It is Fitting to Keep In Mind Ideals"

Washington, D. C. Nov. 8—The "mobilization for international justice and world peace" on Armistice Day called by the Comission on International Justice and Goodwill of the Federal Council of Churches will be widely observed, according to officials. Special exercises will be held in thousands of churches Armistice Sunday.

A score of governors have responded to a request of the Federal Council's Commission to recommend to the people of their states the observance of Armistice Day and the Sunday preceding. Many have issued official proclamations.

The "mobilization" is part of a constructive campaign of education against war being conducted by the churches. It calls for international cooperation and the development of international law to take the place of war.

"There is a widespread interest," said Dr. Sidney L. Gulick, secretary of the Commission in making public the extracts from statements and proclamations of various governors. "The fact that so many governors have seen fit to call for the special observance of the two days is most significant."

Governor Gifford Pinchot of Pennsylvania, in his proclamation declares:

"It is fitting that we keep fresh in our minds the ideals symbolized by the observance of the first Armistice Day." He further recommends that "our people in their homes and in their churches shall cultivate the true spirit of that day."

Governor George W. P. Hunt of Arizona says in part:

"The wonderful spirit toward peace which manifested itself throughout the world when the Armistice was declared in rejoicing, and the fervid prayer which marked the end of all war, should be revived as an inspiration to the people of the world to continue their efforts for the elimination of war.

"I do hereby call upon the people of Arizona to attend church on Armistice Sunday, November 9, and I do urge that special services be held in all the churches of the state at which world peace will be discussed and the movement for the outlawing of war be given added impetus."

Another big gas strike has been made on the A. S. Piper farm, two miles east of Marianna, by the Philadelphia Gas company, a well drilled in last Tuesday being reported as making 2,500,000 cubic feet from the Fifty Foot sand.

Pressure at the well was so strong that for the first 36 hours it could not be capped and gas poured from the hole with a roar which could be heard for a considerable distance.

No. 1 well on the Piper farm made 2,000,000 cubic feet when drilled in several weeks ago. The Fifty Foot sand was reached at both at a depth of about 2,800 feet. R. C. Keener and E. J. Dunn were drillers on the No. 2 well.

President John D. Berryman Gives Statistics Of Red Cross Work Done by Local Chapter

In our report of the Roll Call last year we stated the results as bringing us 1277 annual memberships at one dollar each, 34 Contributing memberships at two dollars each, and five Sustaining memberships at ten dollars each. The cash donations were $80.90. The Business Men's donations were $722.50, making a total of $2300.40, and the California Auxiliary secured 55 Annual memberships at one dollar each. The Auxiliary retaining 45 cents from each membership, sending our Chapter $30.25, of this amount we forwarded $27.50 to National Chapter, retaining only $2.75 to cover our expenses. We add to our total, $2300.40, the amount received from California Auxiliary, $30.25, or a total of $2330.65. The total membership Charleroi Chapter 1316 plus 55 California Auxiliary, or a total of 1371. The National Headquarters receive 50 cents each from memberships or $685.50. Deducting this amount leaves $1,645.15 as the net amount available for the Charleroi Chapter. The result was not satisfactory to the officers of the local Chapter for our expenses are much higher.

After the Roll Call there were some additional collections and these are in the report of our Treasurer.

Our Treasurer, S. Walton Sharpnack, makes his report and shows a balance on hand last year to be $932.57. Deduct the check to National Headquarters leaves a balance of $297.57.

Received from Roll Call Chairman, plus some later memberships, $1657.00. Received from California branch, $30.25. Civilian Relief refunds, $75.00. Clinic donations, $183.00. Interest on Certificate of Deposit, $110.00. Donations for Nurse visits, $55.20. General donation Business and Professional Men and collections, $810.99. Making a grand total of $3,219.01.

Leaving a net balance in General Fund of $355.79.

This amount will be barely sufficient to run the Chapter until the end of this year. The local Chapter is able to show this fine condition due to the

Plan To Do Away With Grade Crossings

A plan to eliminate two railroad grade crossings from a state highway in Forward township, between Sunnyside and Milesville a short distance south of Elizabeth, will be laid before the Westmoreland County commissioners at their next meeting, it was recently decided at a conference in the office of County Public Works Director Norman E. Brown. Aside from Director Brown and his assistant, Charles M. Reppert, the parley was attended by J. A. Donaldson, president of the Pittsburgh Coal Company, and others.

The highway, it was said, crosses the tracks of the Pittsburgh and Lake Erie Railroad and re-crosses the tracks at a point 2,200 feet distant. To eliminate the crossings, it was proposed that the highway be kept on the side of the tracks farthest from the Monongahela River, which would necessitate acquisition by the county of about one acre of ground owned by the coal company, also the moving of 16 dwelling houses, a frame store and a coal tipple owned by the same company, across the tracks.

The railroad company was said to have agreed tentatively to this. Director Brown said he also had assurance from the State Highway department that a contract for the road work will be awarded as soon as the agreements are entered into by the county and the two companies.

TO PREPARE FOR PAVING OF STREET

With the approval by the voters of the $100,000 bond issue, arrangements will be made at once to advertise for bids for the repaving of Schoonmaker avenue, Monessen, as soon after the first of the year as possible.

City Engineer Thomas Finine expects to do the engineering work in a short time and will make a recommendation to council as to the paving material to be used. Nothing whatever has been done along this line but many speak favorably for a waterproof and noiseless street. This is considered the biggest improvement proposed by Monessen in a number of years.

ATHENE CLUB GIVES PLEASING SOCIAL AMENITY

The Pfleghardt home of Fallowfield avenue and Third street made a pretty scene for the Benefit Musical Tea held yesterday afternoon, with its decorations of cut flowers prevailing throughout the downtown rooms. The Tea, the second of its kind given by the Athene club, and which bids fair to become an annual event, was given for the purpose of raising funds for community work. There were eighty-five members and friends who attended and enjoyed the afternoon exceedingly.

A musical program, in charge of Mrs. Vivia P. Stewart, was presented for the guests' entertainment and proved to be a very pleasing and excellent one. Those appearing on the program with songs and readings were as follows: Mrs. Frank Smith, Mrs. Earl Nicholson, Mrs. Irene Jones, Miss Ethel Barth, Mrs. Thelma Lowstuter, Mrs. Blanche Toner of North Belle Vernon, Miss Josephine Duvall of Monessen, Miss Jones of the High School and Mrs. George Fetty. Mrs. Barger and Mrs. C. Warren Kinder were the accompanists.

Mrs. J. Clive Enos and Mrs. R. Carl Mountser poured. The committee in charge of the affair was composed of Mrs. T. M. Faddis, chairlady, Mrs. T. R. Eagye, Mrs. Edwin McKay, Mrs. J. W. Ferman, Mrs. F. C. Stahlman and Mrs. D. E. Sloan.

The out-of-town guests present were Miss Vivia Yohe and Mrs. William Chattaway of Monongahela and Mrs. Katherine Niver of Philadelphia.

COURT DISPOSES OF CASES; BOYS INVOLVED

Juvenile court at Washington has made disposition of cases involving a number of boys of Donora all of foreign extraction, who had been taken into custody because of acts they had committed in Donora, thievery from stores, et cetera. Alphonso Drebish and George Yanosik were committed to the Toner institute and Seraphic Home at Brookline. They are each 13 years old. John Bana, aged 14, was committed to the Western Pennsylvania Training school at Morganza.

CAN YOU NOMINATE THIS BOY?

We want to locate the most energetic boy in Charleroi. We do not expect this boy to answer this advertisement himself; it may not even come to his attention. Besides, the boy we are looking for is attending school regularly, and, most likely, hasn't the least idea of taking up spare time work.

The boy we want is from 15 to 18 years of age, clean-cut and aggressive. Of good, responsible parents who are interested in his future.

The position we have for this boy is taking charge of the well-established sales agency for THE SATURDAY EVENING POST, THE LADIES' HOME JOURNAL and THE COUNTRY GENTLEMAN in Charleroi which requires but a few hours' work each week after school.

An invaluable, practical business training in addition to permanent weekly income, will be his.

You, who are reading this advertisement, may know of such a boy. If so, you will do him a real service by advising him of this opportunity so that he and his parent may secure an appointment with our representative, Mr. R. M. Somers at the Hotel Charleroi, who will give full particulars.

HOUSE AND BARN BURNED; LOSS HEAVY

Fire late Thursday afternoon completely destroyed the farm-house, barn and other buildings on the old John B. McGill farm in West Finley township. The farm was occupied by Walter Hancher as a tenant, who lost practically everything he possessed.

The origin of the fire is unknown. Mrs. Hancher, who was alone at the time had been to the barn late in the afternoon and had hitched up a horse to go away with her two children. When she left the barn everything apparently was all right. After driving the horse to the house about 100 feet distant, she tied it to a tree and went into the house. Coming out later she noticed smoke issuing from the barn and ran out and opened one of the doors. Inside was a seething mass of flames. She ran back to the house, gathered up a few valuables, including papers and drove to a sawmill where her husband was working.

Meantime, the fire had been discovered by several neighbors, who drove hurriedly to the farm, but found on their arrival that it was too late to save anything except some clothing and bed clothes. The house, barn wagon shed and all the buildings were leveled to the ground.

The barn was practically a new structure, having been built about six years ago, to replace another which had been burned. The house was an old one, as was the wagon shed. Mr. Hancher has made no estimate of the loss and carried only partial insurance.

A MINER PAYS FINE AND COSTS

Charles Domensky, of near Monongahela, a miner, entered a plea of guilty yesterday to a charge of pointing firearms and assault. He was shown leniency when the court passed sentence, as the prosecutor John Tomka, who conducts a store in the section where Domensky lives, interceded for the defendant. He was sentenced to pay the costs and a fine of $50 and to undergo imprisonment in the county jail for 60 days. If the fine and costs are paid, he will be released from imprisonment. He paid the fine and costs.

It was stated that the defendant worked steadily, had a family, and was not usually of a quarrelsome disposition. However, at the time he had trouble with Tomka, he had met a friend who gave him a couple of drinks. This loosened his tongue and he started trouble at the store. When he was put out of the store he pulled a gun and assaulted Tomka. Tomka did not wish to have the man imprisoned.

HUGHES TO RESIGN POST ON MARCH 4 OF NEXT YEAR

Washington, Nov. 8—Secretary of State Hughes today was reported definitely to have decided to relinquish his post March 4, and retire to private life.

Coincidentally George Harvey, former ambassador to Great Britain, was spoken of a likely successor to Hughes at the helm of the state department.

Hughes's present intention to resign was said to be based upon a wish to resume his private law practice and recoup his personal fortune which has been depleted by long public service at relative low salaries.

True Bills Are Returned Against Donora Young Men Accused of Abducting a Young Girl of Connellsville

DATE IS OF OCTOBER 11

Young Miss, a Witness at Football Game Is Induced, Alleged, By the Accused of Getting Into An Automobile With Them

Indictments were returned yesterday afternoon by the grand jury in which John Bubin, Emmanuel Puerte and Joe LaMandola are charged with a statutory offense. Indictments were also found against Emmanuel Puente on a charge of assault and battery and a statutory offense. Indictments were also returned against Joe LaMandola, Sam Villelle, John Puente and Samuel Jiants with being accessories before and after the fact.

These charges all grow out of the taking of a young girl, Marion Sidiway, of Connellsville, who is under 16, to Donora, on October 11. On that date the Donora High school played Connellsville High at Connellsville. Miss Sidiway was at this game, she being a student in the Connellsville High. She was sitting on the bumpers of an automobile in which some young men were seated. They got in a conversation and after the game was over induced her to get into the car with them, stating that they would take her home. She was not taken home but under protest, she claims, was taken to Donora, treated there with some pop, which she claims was drugged, taken to the rear room of a barber shop in Donora and kept there all night.

Steve Neruda, charged with breaking into the Alexander school house in Carroll township was indicted for felonious breaking and entry and larceny.

VETERAN ACCUSED OF ARSON FREED FROM FRENCH PRISON

Cherbourg, Nov. 8—John Avotte, an American World War veteran from Cheboygan, Mich., sailed for home today after two years spent in a French prison for arson.

President Douherge pardoned Avotte because of considerable doubt as to his guilt.

The American married a French girl and afterwards quarreled with his father-in-law. The latter's barn was burned down and Ayotte accused of the crime, which is a most serious one in France. Despite his ignorance of the French law he was convicted and sentenced to a long prison term.

Will Close Places Of Business For Two Hours Nov. 11

Charleroi merchants met for luncheon at the noon hour yesterday at the club house of the Charleroi lodge of Elks. It was decided by them that they will close their places of business for two hours on Armistice day, Tuesday, November 11, from 11 a. m. to 1 p. m. It was also decided that beginning with Monday, December 1, the stores will be kept open nights during the entire month to accommodate the holiday trade incident to Yuletide. By this method people will be afforded plenty of time in which to do their shopping.

The gathering also completed their plans for holiday advertising, to be done through the columns of the Mail, and possibly by other methods, in this busy Christmas shopping campaign.

Coroner's Jury Holds William Roy To Grand Jury, Charge Of Murder

Inquest into the death of Thomas Roddy, Jr., of this place, was held at the undertaking rooms of Deputy Coroner Michael T. Crowley this forenoon at 11 o'clock. A jury was impaneled consisting of the Hon. James T. Heffran, as foreman; Messrs. Henry L. Swickey, W. McCarty, [illegible] Tussing and James Stevenson, who returned the following verdict:

"We, the jury, find that Thomas Roddy, Jr., came to his death on November 2, 1924, at the Charleroi hospital, from shock and hemorrhage due to a bullet wound in the back; and we further find that said bullet wound was inflicted by a revolver at Elco, Pa., on November 2, 1924, in the hands of William Roy, and further recommend that said William Roy be held to the grand jury on the charge of murder."

But six witnesses were called. The commonwealth was represented by District Attorney Howard W. Hughes, and the accused, William Roy, by Attorney George Weaver, both lawyers of Washington. Coroner William Greenlee conducted the inquest.

THE CRUCIAL CONTEST.

This afternoon Charleroi High and California High are contesting for gridiron honors on Charleroi field. The borough has a number of visitors today—California rooters and adherents, and a number of people from Monessen, Monongahela, Donora, and other points attracted here through virtue primarily, of their love of the game, but doubtless their presence also testifies that their sympathies are with one or the other of the teams. Today's game may be aptly termed "the crucial contest."

Charleroians will, as usual, extend the hand of welcome to the visitors, and it is to be hoped that in the game the spirit of fairness, with which the borough has gained an enviable reputation in sports, will prevail today. And may the best team win. We are for Charleroi, of course, but we want the locals to win on their merits, so that the visitors will not be able to account for their loss of the contest through an alibi. And, perchance, if Dame Fortune is not with us and we lose, let us give full credit to the victors and go down with "colors flying."

It is wonderful the hold on the affections of the people that football has gained. Primarily a college game, in which sphere it gained its reputation, the fever spread to the schools of the land; and naturally, being a corollary, an additional deduction, of education, the public became interested, which interest increases as the years are rolling on. It is the fact that "your boy and mine" are "playing the game" that has to do largely with its popularity among the masses of the people.

Football not only stimulates the bodily functions, but it is a tonic for the thinking capacities of the students in the game. Its very diversity from the monotony of the school room—and studies, its wholesomeness, recommends it and signalizes it as one of the great recreations of the day and forever will immortalize it as a leader among things athletic.

SPLENDID INCENTIVE.

In the proper display of his goods, through the window trimming method and in the interior of the store, can be attributed no little of the business success of the merchant. This Window Trimming contest to be held in Charleroi on the evening of Wednesday, December 3, should prove a splendid incentive for the local business man to put forth his best efforts in both these regards. It should mean, and doubtless will mean, increased patronage for the local merchants, and the idea was happily conceived; that its termination will be successful, is a foregone conclusion.

In the essay contest, "Why We Should Shop In Charleroi," will doubtless find liberal response, as it should, on the part of not only the students of the schools in Charleroi and North Charleroi, but in outlying districts as well.

It has been known for some time that Charleroi is the best place to trade in the Monongahela valley; and it will be intersting to note the salient reasons as promulgated by the pupils of the public schools.

H. Philip Hottinguer son of a baron and distinguished financier of Paris, declared that on his way to become a student at Harvard he was stopped at Ellis Island, "put in a room with 20 on the floor without even a blanket," was not allowed to send word to his father and on the second morning "was kicked in the back by a guard and told to get up to wait for his name to be called." There are too many of these scandalous stories for there to be no truth in them, and surely something ought to be done about it.

DeMarco And Vicentini Will Meet In Waterbury, Conn., On November 18

Stepping out in no uncertain way to prove his right to be considered among the leading lightweight contenders Cuddy DeMarco, Charleroi flash, was signed yesterday to meet "Red Dog" Luis Vicentini, the South American slugger, at Waterbury, Conn., on November 18. This will be DeMarco's biggest thrust into Eastern big time as the South American is still being considered among the leaders for Benny Leonard's title.

Vicentini first broke into the limelight when he stopped the rugged Rocky Kansas in 11 rounds in New York last summer, after having been given the worst of two bouts with Young Shugrue. He gained immediate attention by the New York commission and since has been included in every elimination prospect for a new lightweight champion. DeMarco has agreed to make 135 pounds for the match to make it a legitimate title contending contest and as it was in Connecticut that he first became a favorite by his win over Lhis Kid Kaplan Cuddy figures it a good spot

fact that the Women's Clubs of the city have come to our assistance and borne many of the expenses. To them we owe a sincere debt of gratitude It does seem that a city so large as Charleroi with its Red Cross territory should subscribe the full amount necessary to run the Chapter. This would allow the various Federated Clubs to do other commendable work of a civic nature.

Special Funds in Reserve. We often have someone inquire into the Reserve fund and we are pleased to state that the Reserve fund amounts to $2200.00, and is deposited in the three banking institutions of our city and draws $110 00 per year interest It is the desire of our officers that this reserve fund be increased to $2500 00 and held for an emergency that may arise at the most unexpected moment. We desire to state again that $4400.00 of the Red Cross money was used to fight the flu a few years ago and many of our citizens owe their lives to the fact that the Red Cross funds of the local Chapter were used. The High school closed and was turned into a hospital where the flu cases were isolated and properly cared for. This had a lot to do with checking the spread of that dreaded disease. That will explain why your officers are so careful to preserve this fund for your Chapter. There is also due at this date $106.00 that was loaned to ex-Service men. We believe that your Chapter is in excellent condition and that your funds are carefully expended The records, we feel, are above any questioning and we promise to all who desire an opportunity to see any and all the books of the local Chapter. With this assurance on our part we send out the call—the Eighth Annual Roll Call—we want one hundred Contributing memberships at $5 each We want at least 25 Sustaining memberships at $10 each.

The business men's collections and other collections are recorded as donations to Chapter work. Please do not mix memberships with donations. They are separate. The Chapter gets all donations. We invite the general public to any of our meetings. Respectfully, John D. Berryman, Chairman.

DONORA IS BEATEN IN CLOSE GAME

In the most spectacular struggle that has been waged at Donora this season, Uniontown High school nosed out a 13-to-12 victory over Donora High school in the final seconds of play yesterday afternoon. A triple pass, followed by another forward pass, resulted in the score, Connelly tossing the ball to Hagen. Uniontown scored in the first quarter when it got possession of the ball on the Donora 29-yard line on a fumble and rushed the ball over the goal line for the score. A touchdown and safety in the second period and a field goal in the third period gave Donora the lead, which it held until the game was in its closing seconds. Lineup:

MANDELL IS WINNER FROM JACK BERNSTEIN IN THRILLING BOUT

Sammy Mandell of Rockford, Ill., fought the best battle of his career in Madison Square Garden, New York, last night, and defeated Jack Bernstein of Yonkers in one of the liveliest scraps that has been seen in the Metropolitan district since the Walker law. It was a hurricane affair and Mandell had to be in exceptional form to win. For the better part of the 12 rounds the speed was dazzling, and it was Mandell who set the terrific pace. Some at the ringside who thought that a draw would have been a better decision, but the Rockford Sheik won seven of the 12 rounds, while only three went to Bernstein. The others were even.

Bernstein's head, coming in contact with Sammy's left eyebrow in the fifth, opened a cut that flowed freely for the balance of the fight and considerably handicapped the Westerner. Had it not been for this accident, Mandell would probably have won by a greater margin than he did.

In the semi-final, which was another 12-round affair, Joe Ryder won the decision over Midget Smith

ANARCHISTS MAKE THREATS IF LIVES ARE NOT SPARED

Paris, Nov. 8. — Warning of a world wide uprising of anarchists if the lives of Nicola Saccoa and Bartolemio Vezzetti, convicted of murder of a paymaster and his guard at Braintree, Mass., are not spared, was issued today from the secret headquarters of the Paris anarchists.

The threat was made to a United Press correspondent, who was conducted by mysterious paths across the city, closely questioned, and finally ushered into a low dark den, at the end of a stairway guarded by armed men. It was made in the presence of half a dozen long-haired anarchist leaders who were engaged in getting out La Libertaire, the newspaper of the organization.

It was Henri Delecourt, leader of the Paris anarchists, who spoke.

"We warn Americans that serious things will happen if our comrades Sacco and Vanzetti are executed," Delecourt said solemnly, while all the anarchists in the darkened room fixed the correspondent with serious stares.

Sacco and Vanzetti have appealed and Judge Webster Thayer of the superior court of Massachusetts has under consideration a bill of exception filed by their attorney.

The several trials of the two men occasioned anarchistic demonstrations in various parts of the world and led to an attempt to kill Ambassador Herrick with a bomb. The American embassy here now is closely guarded.

Following indications that anarchists again were becoming active on behalf of the condemned men, the United Press sought information from anarchist headquarters.

All manner of mystery was thrown around the visit to the den where the organization holds forth. The trip across town was reminiscent of a secret society initiation in an American town. The correspondent was not blindfolded, but was thoroughly mystified as to his direction. He was examined as to his beliefs and intentions and finally taken down a long dark passageway at the end of which two armed men halted the party.

Once the password was given and the correspondent was inside the darkened room, the anarchists came to the point.

"We cannot answer for what will happen if our comrades are executed" Delecourt said impressively

"Anarchists everywhere are highly agitated They might employ drastic methods.

"A number of our Italian and Spanish comrades are here and others in America have furnished money.

"American anarchist organizations are working among the comrades in Italy, Spain and France."

The correspondent asked how this was being done. On the last occasion of agitation over the fate of the two men, there were demonstrations in France, Italy and South America.

"Naturally we don't wish to reveal our plans to you," Delecourt responded brusquely. "You probably would warn the police

"But you can tell Americans to look out."

Do a Number of Little Bills Worry You?

Little bills when they accumulate are a constant source of worriment. And somehow they seem to grow to proportions which are greatly in excess of their real amount. And they're hard to pay.

But suppose you could bulk all of them, and send out checks, and pay them in full; and then have only one bill to pay instead of many. Wouldn't it be easier? Of course, it would.

Better take a half hour if you're in that position, and allow us to tell you of our plan.

GAS

in the stomach is a common disorder causing much discomfort.

Gas inflates the stomach, forcing it to crowd the heart and makes it beat irregularly. The lungs are crowded and because they cannot properly expand, the patient often takes a deep breath to get enough oxygen. These and other distressing symptoms are warnings that digestion is impaired and needs attention.

Remember for every effect there is a cause. Let me explain how CHIROPRACTIC ADJUSTMENTS correct the cause of Gas in the stomach.

Savings Deposits

There are many people who delay the opening of a Savings Account because they feel that a small deposit will not be welcome and that it is better to wait until they have accumulated a considerable sum. Too often they keep on waiting.

The First National Bank wants you to know that we welcome Savings deposits in any amount from $1.00 upwards and that the size of the account does not matter so much. The REGULARITY with which you save means more to us—and to you—than the amount deposited.

Mrs. A. C. Anderson of Crest avenue, left this morning for Pittsburgh, where she will spend the day with her daughter, Mrs. John Mallory and son, Jack, who resides at Woodlawn. Mrs. Anderson will be accompanied on her return this evening by Jack, who will visit here for a while.

ELECTION RESULTS SETBACK TO A LABOR PARTY

Washington, Nov. 8.— The movement within the American Federation of Labor to set up a labor party in this country received such a severe setback by the results of the election that the more conservative Federation leaders here today were confident the question would not come before the Federation convention at El Paso November 16.

The wing of the Federation and the allied railroad brotherhood which have opposed the whole idea of developing labor's present non-partisan political effort into a direct party affair feel that their position was justified by the election.

Labor endorsed nearly 300 congressional candidates. Of these some 180 were elected while only about 90 were defeated. This was regarded here as a distinct demonstration of the success labor may have when it clings to its old policy of "rewarding its friends and defeating its enemies."

ACTION DEFERRED ON IMPORTANT NATIONAL REFORMS

Washington, Nov. 8—Action on important national reforms—such as railroad rate revision, radical farm relief legislation and further taxation charges—is to be put off indefinitely as a result of the election.

A representative group of Republican leaders in congress have agreed that they should prevent any action upon such vital questions at the December short session which opens a month from today.

The tremendous majority of Calvin Coolidge is interpreted by these ruling solons as a mandate of the people to stifle any revisionary charges in present laws—at least until the Coolidge Republican working majority comes into power in March.

The work of the December session hence probably will be restricted to such measures for farm relief as meet the almost unanimous endorsement of all the factions of congress and passage of appropriation bills are planned.

STABS SWEETHEART; IS NOW IN JAIL

Pittsburgh, Nov. 8.—Charged with stabbing Edith Beach, an attractive 20-year-old girl of McKeesport, because she spurned his attentions, William Lessley, 25, McKeesport, was held for court trial today in $1,000 bail.

Lessley stabbed Miss Beach in the left shoulder last night when she refused to accompany him to the theatre. The wound is not likely to prove serious, Miss Beach's physician said.

Would like the party who picked up the little girl's sweater in front of Kinder's residence, to return same to this office. 132t2p

In Society's Realm

Mrs. George Wagner of Meadow avenue entertained the members of the Merry Menders club on Thursday evening, with all members present. Time was passed in sewing and social converse. The hostess was assisted by Mrs. Little of Black Diamond. When adjournment was made, it was decided to meet at the home of Mrs. Albert Tharp on November 13.

Rev. William M. Long, pastor of the First Christian church of this place, leaves Monday for Brownsville to take charge of the singing in the Evangelistic meetings to be held at the Christian church at that place all next week. Lawrence Doak of West Virginia will be the Evangelist. Rev. Long will return to Charleroi in time to take over the Sunday services next week at his own church.

The Hebrew Ladies' Aid Society of Brownsville has arranged for a three day benefit bazar to be held in the concourse room of the Moss Arcade beginning Tuesday, November 11. There will be dancing, music, and other features throughout the three evenings. Many booths are being erected in the room and decorations add beauty to the place. An orchestra will render dancing music. A large gathering is expected.

Miss Louise Collins, daughter of Mr. and Mrs. C. G. Collins of Crest avenue, who leaves tomorrow for an extended visit with her sister and brother-in-law, Mr. and Mrs. John R. Gaur of Cleveland, Ohio, was tendered a farewell party last evening by the members of the Delta Theta club at the home of Miss Isabel V. Schafer of McKean avenue. With every member present and two visitors, Miss Ellen Clark and Mrs. Chauncey Collins, a delightful evening was spent in bridge and fancywork. The favor was awarded to Miss Sulye E. Zellers. Following the close of the games, a delicious luncheon was served by the hostess in the dining room covers being laid for ten. Miss Collins was presented with a beautiful sterling silver vanity case by Miss Schafer in behalf of the club members as a token of esteem in which she is held. Adjournment was made at a late hour, the honored guest receiving many wishes for a safe journey and a pleasant visit.

An all-day meeting of the Women's Missionary society was held Thursday at the Washington Avenue Presbyterian church, with the president, Mrs. Edwin McKay presiding. The opening session at 10:30 in the morning was one of great interest, the devotional exercises being led by Mrs. Frank Montgomery. The subject of discussion was "China's Challenge to Christianity" in charge of Mrs. F. C. Stahlman, who was ably assisted during the morning session by Mrs. Clive Stewart, Mrs. Minnie Henderson, and Mrs. Montgomery. Miss Wheatley rendered a vocal solo in her usual charming manner with Mrs. Beachly ably assisting at the piano. At noon, luncheon was served in the dining room of the church, covers being laid for forty. The hostesses were, Mrs. Bert Mitchell, Miss Della Curry, Mrs. R. G. Knight, Mrs. E. Allman and Mrs I. V. Kinder. The meeting reopened at 1:30, this time Mrs. Stahman being assisted in the subject discussion by Mrs. McKay, Mrs. J. W. Manon, Mrs. W. B. Pfieghardt, Mrs. T. P. Tweed and Mrs. C. S. McKean. A pleasing feature of the afternoon session was a vocal solo rendered by Mrs. Paul Manon. Mrs. S. Speers brought the meeting to a close with a prayer. Mrs. McKay announced that Dr. Crawford of China would be at the church on Missionary Sunday, November 23. A large crowd is anticipated.

It appears to have been a hasty assumption that all European doors are open to our young monarch of the movies. Clemenceau declined to meet Jackie at the invitation of his doting parents, replying: "A thousand regrets. I am not celebrated enough and do not screen well enough to meet your illustrious child." It is suggested that the sarcasm may have been missed by the Coogans and that they have passed on their way convinced that the Tiger of France is a very modest old gentleman.

A collection of newspaper clippings in regard to the American visit of the Prince of Wales is said to weigh 325 pounds and to contain 61,120 items. It is asserted that not even an American President ever received so much publicity in so short a time. It might well have been added that not one ever received so much of an altogether friendly sort, there being no political party over here in active opposition to the future office-holding of the royal visitor.

BRIDGE FLOOR MAY SOON BE REPAIRED

BRIDGE FLOOR shr hrd hdrrhrhrh

It is reported that workmen are soon to start repairing the floor of the Monongahela river bridge at Monongahela, under the combined direction of the county commissioners of Washington and Allegheny counties. At the Axleton terminus of the bridge the unused street car rails have left their foundation and bulged above the floor surface, owing to the constant heavy pressure exerted by leverage on the horizontal bridge supports at the piers.

Two weeks ago state inspectors spent a half day looking over the bridge in an effort to determine the cause of the peculiar lifting of the rails. Not only is the stretch of rail dangerous to motorists and their cars but may have a tendency to damage the entire bridge floor.

NOTICE.

Owing to our shortness of second-hand automobiles, we would like to have twenty or thirty 1920 or 1921 Ford Roadsters, Touring Cars, Coupes or Sedans. Bring your car to Sloterbeck's Garage, Fayette City, and we will tell you how we can take [illegible]
